

## **Caza Gold Appoints New President and CEO**

*Vancouver, Canada –August 28, 2014* – The Board of Directors of **Caza Gold Corp.** is pleased to announce that Mr. Brian Arkell, Msc., AusIMM (Fellow), SEG (Fellow) has been appointed the new President and CEO of the Company, effective September 1, 2014.

Mr. Arkell brings to Caza a wealth of experience in the mining business, with both operational and exploration experience in North and South America, and Asia.

Most recently, Brian was Senior Vice President, Exploration & Corporate Development at Rio Novo Gold, Inc., a Toronto based TSXV junior gold company operating in Brazil and Columbia. Prior to that, Brian spent over 24 years with Newmont Mining Corporation at various locations throughout the world, with increasing levels of responsibility, managing budgets of up to US\$48 million.

With the addition of Mr. Arkell, Caza is now ready to continue exploring and developing its Nicaraguan properties and seeking more advanced gold projects in Central America and elsewhere. The Board of Directors would like to welcome Brian to the Company. His appointment will allow Caza to focus on creating growth for our shareholders in the coming years.

Further to the Company's news release of August 8, 2014, the Company also confirms that it has completed the issuance of 1,874,500 shares to settle debt of Cdn\$149,960. **Caza Gold Corp.** is a gold and copper exploration company focused on discovering new deposits in Nicaragua. The Company controls the highly prospective but under-explored claims in the high sulfidation gold trend of Nicaragua and a copper-gold-iron porphyry system to the north of the El Limon mine. Caza Gold Corp is dedicated to discovering gold, defining deposits, and developing value.

### **CAUTIONARY DISCLAIMER – FORWARD LOOKING STATEMENTS**

This news release includes certain statements and information that may contain forward-looking information within the meaning of applicable Canadian securities laws or forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995. All statements in this news release, other than statements of historical facts, including statements regarding future estimates, plans, objectives, assumptions or expectations of future performance, the likelihood of commercial mining and financing requirements and the ability to fund future exploration and development are forward-looking statements and contain forward-looking information. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company does not undertake to update any forward-looking statements or forward-looking information that are incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbour.
