

Caza Gold Corp. Announces Resignations of Directors

Vancouver, Canada – November 29, 2016 – Caza Gold Corp. (the “Company” or “Caza”, TSX-V: CZY, FSE: CZ6)

Caza Gold Corp. announces that Jim Defer, Michael Humphries and Mike Adams have resigned from the Board of Directors of the Company. The Company thanks them for their service on the Board. The Company will be searching for an independent Board member in the near future to replace Mr. Defer.

About Caza Gold Corp.

Caza Gold Corp. is a gold and copper exploration company focused on discovering new deposits in Nicaragua. The Company controls a large land position in the highly prospective but largely undeveloped gold belts of Nicaragua. Caza has developed a large portfolio of projects in Nicaragua, including the Los Andes gold-silver project and the Piedra Iman copper-gold project.

Caza controls over 425 square kilometers of prospective ground within the central Nicaragua Gold Belt. In addition to the Los Andes Gold Project, Caza is exploring the Piedra Iman porphyry in northern Nicaragua along with five high-sulfidation volcanic hosted Au-Ag targets located in west-central Nicaragua near the Pan-American Highway.

For additional information on Caza and our projects, please contact Brian Arkell at 1-720-883-7338 or Toll Free at 1-877-684-9700, email: brian.arkell@cazagold.com or visit our website, www.cazagold.com

CAUTIONARY DISCLAIMER – FORWARD LOOKING STATEMENTS

This news release includes certain statements and information that may contain forward-looking information within the meaning of applicable Canadian securities laws or forward-looking statements within the meaning of the United States Private Securities Litigation Reform Act of 1995. All statements in this news release, other than statements of historical facts, including statements regarding future estimates, plans, objectives, assumptions or expectations of future performance, the likelihood of commercial mining and financing requirements and the ability to fund future exploration and development are forward-looking statements and contain forward-looking information. Generally, forward-looking information can be identified by the use of forward-looking terminology such as “intends” or “anticipates”, or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “should”, “would” or “occur”. Forward-looking statements are based on the opinions and estimates of management as of the date such statements are made and they are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of the Company to be materially different from those expressed or implied by such forward-looking statements or forward-looking information. Although management of the Company has attempted to identify important

factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. The Company does not undertake to update any forward-looking statements or forward-looking information that are incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbour.
